

Fugue Expositions - Cheat Sheet

Subject Real Answer Tonal Answer

bracket this every time
you find one!

countersubject (not every fugue
has a countersubject) countersubject

♩ = 100

Subject (link) Real Answer codetta

figure out exactly
where the subject
ends!

C.S.

codetta: Joins the answer to the subject and modulates back to tonic
link: joins the subject to the answer (not necessary to label if it's only a few notes)

(mini sequence based on the subject) C.S.

This other line is called
"free counterpoint"

Subject

Answer C.S.

Exposition ends when
all voices have had the
subject or the answer.
