

Major and Minor Scale Cheat Sheet

Major Tetrachord = WWH
 Major Scale = WWHW WWH

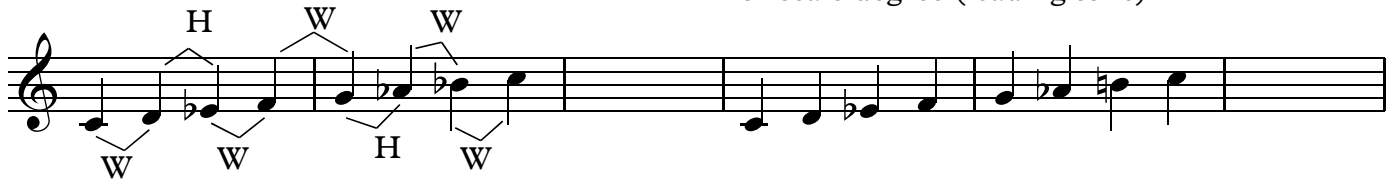

A half-step is the smallest interval on the keyboard.
 A whole-step is two half-steps.

Natural Minor Scale = WHWWHWW

Note that to get from C Major to C Natural Minor, we lower the 3rd, 6th, and 7th scale degree

Harmonic Minor - raised 7th scale degree (leading tone)

Melodic Minor - ascending - raised 6th and 7th scale degrees

Melodic Minor - descending - same as natural minor
